BRAINCHILD

January 26, 2019

Servus Place, St. Albert AB

An annual event that offers children-in-need, whether vulnerable, disempowered or disengaged, the opportunity to discover a love of learning through multifaceted activities and community interactions.

Plugged In is hosting our third annual BrainChild event January 26, 2019, in St. Albert at Servus Place! This event provides 100 children-in-need, a one-day fall in love with learning through a series of hands-on activities.

This year will feature a variety of activities that will stimulate learning through, sports, mindfulness, cooking and guest experts to create hands-on academic fun! The students will be treated to morning and afternoon snacks, lunch and a swag bag to continue building their curiosity in learning. We provide an inclusive and supportive environment for all children to experience success at this event.

REGISTER:
